Whose Hands

A basketball in my hands is worth about \$20 bucks.
A basketball in Michael Jordan's hands is worth millions.

It depends on whose hands it's in.

A baseball in my hands is worth about \$10 bucks.
A baseball in Alex Rodriguez's hands is worth millions.

It depends on whose hands it's in.

A tennis racket in my hands is useless.
A tennis racket in Neal Skupski's hands is worth a Wimbledon championship.

It depends on whose hands it's in.

A sling shot in my hands is a kid's toy.
A sling shot in David's hands is a mighty weapon.

It depends on whose hands it's in.

2 fish and 5 loaves of bread in my hands is a fish sandwich.
2 fish and 5 loaves of bread in God's hands will feed thousands.

It depends on whose hands it's in.

Nails held in my hands might produce a birdhouse.
Nails in Jesus' hands will produce salvation for the entire world.

It depends on whose hands it's in.

As you see now – it depends whose hands it's in,
so put your concerns, worries, fears, hopes, dreams, family
and relationships in God's hands.

IT DEPENDS ON WHOSE HANDS IT'S IN.
