2022 Theme Living What You Pray

He Knows The Way

It has been a long-standing joke that men in general do not like to ask for directions, they think they will eventually find their way or . . . is it because of male ego or pride? Women (wives) on the other hand, are quick to suggest to their husband to stop and ask for directions. We all want to get to our planned destination as quickly as we can, and not end up getting lost.

As believers, we sometimes think that we are smart enough to navigate through life on our own, but we fail to realize that the Lord says this is not true. "There is a way that seems right to a man, but its end is the way of death." **Proverbs 16:25** If you were to open your Bible concordance, hoping to find the word guidance, expecting to find a long list of verses promising guidance from God, you would not find guidance, but you would find guide. When it comes to life, and you come to a fork in the road, you need to stop and consult God's counsel, His ways, and remember what the prophet Hosea said long ago. "The ways of the Lord are right, the righteous walk in them."

I agree with the wise person that said, "Life is a directional enterprise. It's vitally important to know how to successfully direct our lives toward blessed and peaceful relationships, meaningful acts of love and service, a fulfilling experience with God and a host of other vitally important destinations." Asking the Lord God for directions isn't just a good and wise thing to do each day, we also need to remember that He is our Good Shepherd to guide the way when our sight is dim and our way is dark as it often is.

King Solomon said in **Proverbs 3:5-6**: "Trust in the Lord with all your heart . . . and He shall direct your paths."
