~ Our hearts go out to **Bill Howell** and family in the passing of **Jane** last, Tuesday. Tuesday was also Bill & Jane's 65th wedding anniversary. Jane had quite a struggle with Alzheimers for several years. There will not be a service.

~ **Don Albert** is recovering and doing very well at home after his heart attack and another stent put in.

~ **Martha Rushmore** is doing well after having her implant put in for her back. She has a follow-up doctor appointment tomorrow.

~ **Jamie McCartney** has a doctor appointment on January 11th to hopefully move forward with treatment plans for his cancer.

~ **Pat Ponsford** is still not doing very well and is very weak.

~ **Tara Strickland**: has moved to the next phase of her recovery process. She is doing well and appreciates all the cards she has been getting. She said it has really helped her in her time of need and it seems just when she needs it most, another card arrives. Her new address is: River Oaks Treatment Center, Tara Strickland, 12012 Boyette Rd., Riverview, FL 33569

~ **Cherri Gould** has been very sick with the flu.

~ **Sarah Myers** tested positive for Covid this week. She is doing ok. Please pray that David does not come down with Covid while in Guyana because he will not be able to return to the US if he tests positive. He will have to quarantine there. He is scheduled to come home tomorrow afternoon.

~ Sarah Alls, nephew, **Clay Pelland**, is battling stage 4 esophageal cancer. He is very sick and needs our prayers.

~ **Lois Hutsepiller** continues to need our prayers while she is still recovering from surgery.
