Prayer List

~ **John Workman** needs our continued, fervent prayers. As we announced last week, the stent that they put in his esophagus failed and went to his stomach. The doctor got it out and was pleased to see some healing. They put a new, longer stent in his esophagus. John is in a lot of pain and is having trouble breathing when he stands up. They are looking to, at least another week in the hospital. Please keep Leigh in your prayers as well.

~ Our sister **Martha Pope**, fell and broke the bone in her face under her eye. She has been taken to Gainesville and will have surgery this morning.

~ **John Stone's brother**, Tom who lived in Texas, was having some health issues with his heart and passed away two weeks ago.

~ **Joel & Joyce Prather's son**, Randall, had surgery to have his thyroid removed. The doctors found something in the results and they started Randall on radiation pills.

~ **Basile & Libbie Summers'** friends, Basil Shrewsberry, passed away. Basile and Libbie & Jack and Judy Kyle have traveled to Virginia for the funeral.

~ **John Mikeals** contacted David last week and would like to be remembered in our prayers. The environment that he is in, is not conducive to Christianity and John needs encouragement. If you would like to send him a card his address is: 15681 N US Hwy 301, Citra, FL 32113

~ **Dale Dean**, David Myers' nephew continues to battle cancer and they found a new place in his brain. The doctors did surgery 2 weeks ago.

~ **Fred Casteel**, Reida Glenn's brother, finished his chemo and radiation treatments for his mouth and throat cancer. Pray that this will be all that needs to be done and he will heal.
