Today, we have a very special guest speaker with us. Meet the preacher for the Blueberry Hill Church of Christ in Linden, Guyana --- one of our mission efforts that we started helping this year. Because of this congregation's financial support and other brethren, brother Sheldon Jones was able to purchase a minivan that has been needed for some time for the work there. Today, for our Bible class, he will be giving a report about the Lord's work in the community of Blueberry Hill and he will bring us the lesson during our worship hour. Let us all make brother Sheldon feel welcome, this being his first visit to the U.S.A.
