## Dear Brethren: Greetings to you in the name of our blessed Lord & Savior, Jesus Christ!

It's been two years since my father passed away. The void he left behind has not been filled. Instead, it seems that many things have changed. Yet one thing remains constant. Our love for the lost in India continues. It is because you share that same love, we can continue to do what we do.

We thank you for your love & belief in this work. We could not do anywhere near what we do if it were not for your help. Words truly cannot express how important you are to the efforts for the Lord's kingdom in India.

I know I speak for all of us that we wish you could see India with your own eyes (if you have never been so fortunate). We wish you would have the opportunity to reach out personally to the lost souls of the subcontinent. We wish you could experience the same joys we have of teaching about God, His Son & His church.

At the same time, we need you. We need you to continue to be the driving force behind sending our Indian brethren out into the harvest. We cannot stress enough how much this needs to be an Indian work. We need you to help us to we can help them. They cannot do this without you.

May God bless you for your support & prayers for India Missions. We thank you for blessing us & blessing them.

In Him, Kyle E. Clayton
