Welcome Church Family!

Isn't it a wonderful thing to be able to be back together this morning for worship. We praise God that we can all meet this morning and let us remember why we are here: to praise and worship the one and only, true and living God . . . our Father in Heaven!

We will be meeting for Sunday morning worship services only. There will be no Bible classes and no Sunday evening or Wednesday night service until further notice. We will keep you updated for any changes and please check our Facebook page or our website at www.hischurch.faith if you are able and we will also continue to put out the auto calls. For those not able to meet, we will continue to give out communion supplies and the bulletin on Saturday mornings from 9 to 11a.m.

To protect each other, we are asking EVERYONE to follow some very important guidelines:

- * Anyone who is considered high risk, please do not feel pressured to assemble. The governor's state guidelines, still recommend this group of people to **stay home**. This includes those who are age 65 and over; those who have diabetes, heart or lung disease, those with weakened or compromised immune systems of any kind.
- * If you are ill or have recently been exposed to someone who is ill, PLEASE DO NOT ATTEND.
- * We ask everyone attending to please wear face masks.
- * Bring your own hand sanitizer and use it before you enter the building. We have some sanitizer, but it is hard to get and we cannot guarantee our supply will be enough for all.
- * Everyone must stay 6 feet apart (unless you live in the same household).
- * PLEASE, **Do not** give hugs or handshakes. Wave to each other from at least 6 feet away.
- * Please do not let your children move around the building, either before or after service.

Procedures for Worship:

~When you arrive, someone will be at the door with individual communion items. At the end of service, there will be trays where you may place your contribution as you leave the auditorium.

~Those living in the same house please sit together, otherwise we must sit at least 6 feet apart.

~The pews are taped off, every other row and need to stay empty to keep the 6-foot separation.

~Please do not use the Bibles or the songbooks that are in the pews.

~At the end of service, we will dismiss one row at a time. As tempting as it will be, after service, please **do not** linger together in the foyer. Exit the building and you can visit outside, but **still keep the 6-foot separation**.

These guidelines are important to maintain the health of our congregation and community.

Remember in Prayer:

Our hearts go out to **Judy Glenn** and her family. Her brother passed away Friday, after having many health issues for quite some time. Judy has left to go to Virginia for the funeral.

The lab results found cancer and this week she starts radiation treatments, Monday thru Friday for 5 weeks. Her address is: 8607 SW 83rd Loop, Ocala, FL 34481 if you would like to send her a card.

Sam Costa has injured his back and hip and is under the doctor's care.

Announcements:

Congratulations to Sam and Kaydee Blankenship on the birth of their healthy baby girl! She was born Friday, May 15th at 5:29a.m., weighing 7lbs.2oz. Kaydee, Sam and little Alynne Sage are all doing well. They are going to call the baby Aly.

Graduates: We have 2 graduating seniors this year – **Lexy McKay** and **Michael Hartman**. We will have a celebration for them as soon as more coronavirus restrictions are lifted. But . . .in the meantime, as our tradition, we are collecting money for them for their money tree. If you would like to give them a card or give money to go on the graduation money tree, you can mail it to the church address, or give it to Mike, David or Sarah and we will make sure it gets added to the tree.
