When You Thought I Wasn't Looking . . .

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator and I immediately wanted to paint another.

When you thought I wasn't looking, I saw you make my favorite cake for me and I learned that the little things can be the special things in life.

When you thought I wasn't looking, I saw you make a meal and take it to a friend who was sick and I learned what it means to serve one another in brotherly love.

When you thought I wasn't looking, I heard you pray over me and kiss me goodnight and I felt loved and safe.

When you thought I wasn't looking, I saw how you handled your responsibilities even when you didn't feel good and I learned what it means to glorify God in all things.

When you thought I wasn't looking, I saw you give of your time and money to the church and to people in need, and even strangers, and I learned that God loves a cheerful giver.

When you thought I wasn't looking, I saw tears come to your eyes and I learned that sometimes things hurt, but it is all right to cry.

When you thought I wasn't looking, I saw that you cared and I wanted to have that same kind of spirit.

When you thought I wasn't looking, I saw you praying and reading God's Word and I learned to depend on and trust in Him too.

When you thought I wasn't looking, I looked at you and wanted to say, "Thanks for all the things I saw . . .

. . . when you thought I wasn't looking."

Thank you to ALL our Christian women whether you are a Mom, Wife, Daughter, Sister, including all in-laws, Aunt, Niece, Cousin, Friend or Neighbor. . . You are important role models, not only to our children but the world around us. It does not matter what "title" you hold, what matters is, that you are a child of God and you are an example to those, where ever your paths may cross.

Thank you for being here this morning. It is **so good** to see many of our members able to come back to services after dealing with Covid for over a year! What an encouragement to be together again and worship our God in unity and spirit and truth! With this in mind, we would ask for **all** to please be thoughtful of some who are dealing with various illnesses and still need to be very careful. We ask that everyone continue to wear your mask until you are seated and to please keep your social distance. Let us all be respectful of each other and enjoy our worship and fellowship together.
