MOUNT DORA CHRISTIAN ACADEMY

&

CHILDREN'S HOME

Brother Tony Kinkel, Vice President of Development, wants to thank the Wildwood congregation for our generosity and support towards the Mount Dora Children's Home. He says, "Your contributions go far beyond monetary value; it carries the promise of brighter futures and renewed hope for those we serve. Through your kindness, you are not only providing essential resources but also instilling a sense of belonging and love in the hearts of these children and single parents."

Following is a note from Rebecca Cox, one of the single parents that is leaving the home/academy after completing the 2 year the program.

"Time has almost come to the end...the kids and I move next Friday. I will forever remember this place that I called my safe haven/home. I will always remember the love this place gave me and my children. They loved us through some of our hardest moments, they celebrated our victories, my kids and I never went without. I have paid off so much debt that I am close to being completely debt free. I was also able to save money in the process. They stood by me when I was homeless, they stood by me through divorce, custody battle, they stood by me when my 'x' was charged for battery on my son and me. They showed up to my dad's funeral and they provided so many services like childcare so I could get my degree. If I ever needed anything, there was always a yes for me. Even with the kids and I moving out, they are still giving us Thanksgiving and Christmas this year. They have allowed me to be a voice for this program and paid for countless trips, hotel stays and taken me places I have never gotten to go to. I have written my journey for the last two years. This place is and will always be a place I called home."
